## RETREAT HOUSE

### **Thinking of Organising a Retreat?**

A few suggestions that might help.

1. Give yourself plenty of time, start planning at least a year in advance (YES A YEAR), before the date you have in mind.
2. Booking the Retreat House, have a few dates in mind as they book up YEARS in advance.
3. Who will lead? A leader will need plenty of notice and some idea of what your aims are for the retreat.
4. Make sure you have a firm commitment from your people. This is best achieved by asking for a NON-REFUNDABLE deposit, it helps focus the mind and you will require a deposit for the retreat house.
5. Travel arrangements to and from the venue.
6. Encourage those who say “I think I might try a retreat sometime”.
7. Dietary and medical needs: is there anybody who requires disabled facilities as this may have a bearing on the venue you choose?
8. Those who have made a commitment: keep them all informed of what is going on.
9. Liaise with the retreat house regularly.

#### **REMEMBER**

The retreat house will help as much as they can.
