

LLANGASTY

RETREAT HOUSE

19 to 21 May 2020

Ambassadors for Christ

Led by Canon George Bennett

This traditional silent retreat will focus on the hidden life of Christ at Nazareth and the connections we can make with our hidden lives of service today.

The first embassy for the kingdom of God was a carpenter's shop. How can our homes and workplaces be embassies for Christ today?

Following ministry in Bristol and Newbury, George served in the diocese of Swansea and Brecon until retiring in 2016. He has always valued retreats in his own life and found leading retreats an important part of his ministry. He is at present Bishop's Officer for Retreats and Spirituality in the diocese of Swansea and Brecon.

Arrive 4pm Tuesday and depart after lunch on Thursday
