RETREAT HOUSE

Creative Retreat - not pure stitch!
9 to 15 August 2022
'Awesome Wonder'

Led by Ann Meek and Mandy Morley

Come and explore God's awesome creation. Explore your creative spirituality using a range of different media. Experiment with colour and texture using collage, mixed media, stitched textiles or your own preferred technique.

Come and share a time of creativity, fellowship and reflection in God's awesome landscape.

Ann Meek started stitching in her forties when she enrolled on a leisure course at her local college. She got hooked and went on to study C&G embroidery and is now a tutor and retreat leader. She firmly believes that we can grow closer to God through creativity.

Mandy Morley is an Authorised Local Preacher and regularly leads worship and preaches in her local Ecumenical Partnership in Milton Keynes. She has also led study groups and helped to lead quiet days. Mandy is a qualified teacher, now working with children with special educational needs and behavioural issues. In her spare time Mandy enjoys hand embroidery and using textiles creatively.

Arrive 4pm on Tuesday and leave after Breakfast on Monday
